#### ARMANA SAUNA LINE

The Armana Sauna line by **Sunlight Saunas** uses Solocarbon technology to produce infrared light. The wooden saunas feature a CD player, a flat-screen television, and a hookup for an MP3 player. The saunas are also freestanding and can run on a regular outlet. (877) 292-0020; [www.sunlightsaunas.com](http://www.sunlightsaunas.com).
